

JOURNAL OF THE SENATE

Some progress has already been made. The parking situation was noticeably improved during the last week of the legislative session after permits for parking on the Capitol grounds for more than thirty state employees were restricted to use only on days the Legislature is not in session.

I suggested that the bill be withdrawn for consideration after a further study was made, but this was not done. I feel it is preferable to delay any final action until the study of the problem is complete. It is my opinion that every effort should be made to resolve this problem in cooperation with the city officials, and I am therefore returning this bill without my approval.

Respectfully submitted,

WARREN P. KNOWLES,

August 4, 1965.

Governor.
